

INCLEMENT WEATHER POLICY

Revision Date: September 2024

PURPOSE:

To ensure the safety of everyone who participates in Rose City Football Club activities when the threat of severe and inclement weather is present.

WEB SITE:

The Web Administrator and/or authorized board member will keep the field status information for City of Windsor, Fogolar, and McAuliffe Park available and up to date.

When possible, emails will also be sent out to all registered members and coaches.

METHODOLOGY:

The City of Windsor (City Fields) as well as the Town of Tecumseh (McAuliffe Park) and the field custodians at Fogolar Furlan fields will contact key members of the Rose City FC Executive via email, text messaging or phone to update on status of their respective fields. Upon receipt of these notifications, information is distributed to members of the Rose City FC.
